presents

"School of the Spirit!"

This is for those saints who are not satisfied with the status quo.

We welcome as our guest minister, Debra Smithson, who is president of Day Spring International, a world-wide ministry with signs, wonders and miracles that have followed in her 24 years of ministry in such places as India, China, Viet Nam, Greece, Israel, Burma and of course the United States..

Debra's heart has always been for the lost and broken. She is gifted with a strong apostolic/prophetic call . She believes that God wants to bring His healing power and saving grace to all peoples.

Debra recently founded "Daughters of Reformation", a ministry to women based on a God given mandate to the "body of Christ" of all walks of life to arise and walk in their God given destiny and to experience breakthrough out of the ordinary into the ex-ordinary.

Come join us for an encounter of worship, restoration, renewal, and deliverance as the healing pools of Bethesda begins to flow!

Come and experience the love and transforming power of Jesus!! It is "your turn around year " to break out of the box!
